# 1. INTRODUCTION

OCN is a token launched on the Solana blockchain, blending the cultural power of the mafia roundtable with the utility of gaming. Unlike typical tokens, OCN has a strong use case tied to its native mobile game - OCN Game, an idle game where users earn tokens as they play. Built on a fast, low-cost blockchain, OCN is designed to be fun, rewarding, and accessible.

# 2. VISION

To revolutionize the meme token ecosystem by integrating a real use case from day one: mobile gaming. OCN isn't just a token - it's a movement that rewards the community for engaging, playing, and holding.

## 9. WHY SOLANA?

Solana offers low transaction fees, ultra-fast finality, and a strong DeFi and GameFi ecosystem. OCN leverages these advantages to provide a seamless, scalable, and cost-effective experience.

## 10. SECURITY & TRANSPARENCY

Smart contracts will be audited by a third-party firm before launch. Multisig wallets will be used for treasury management. Regular community updates and transparent allocations.

## 11. COMMUNITY FIRST

OCN is a community token at heart. From governance polls to game features and meme contests, holders will have an active say in how OCN evolves.

## 12. CONCLUSION

OCN is more than just a meme token. It's a game, an economy, and a movement. With real utility, smart tokenomics, and an engaged community, OCN is poised to redefine what coins can be.
